Housing Associations

Jones and Hampton have many years experience working along side Housing Associations, we have completed a variety of work including:

- **Responsive repairs** – Plumbing, heating, gas, electrical and general building including 24 hour call out.
- **Void Work** – Internal redecoration, repairs, kitchen and bathroom replacement.
- **Cyclical maintenance** – Painting and repair Programmes, Kitchen and Bathroom, Window and Door Programmes, Periodic inspection and repairs, Asbestos removal and encapsulation.
- **Refurbishment** – External repairs and redecoration, Window and Door replacement.
- **Civil Work** – Car Parks, Footpaths, Driveways and Landscaping.
- **Aid and Adaptation** – Ramps, Hand rails and the laying of safety flooring.
- **Gas and Electrical Testing** – Including PAT testing.

We can demonstrate our understanding of the specific requirements of Housing Associations by:

Completing on time – we fix first time and within budget.

Gain Share – sharing the benefit of making extra efficiencies.

Open Book Policy – ensuring transparency building relationships of trust and honesty.

Working in Partnership – sharing knowledge, IT, and your passion for getting it right.

Reducing Duplication of tasks – let us manage the project for you.

Meeting KPI Expectation – delivery of performance and maintaining a high level of customer care.

One stop shop – our comprehensive range of services means you don't need to use anyone else.

We always serve our clients and will work along side your staff to become an integral part of your supply chain, we will share your aims, ambitions and collectively work together to create an environment fit for investment in training, IT, and continual improvement.

Clients include **Riverside Housing, Bromford Life, Housing 21, Meres and Mosses, South Shropshire Housing, Shropshire County Council, Powys County Council.**
