Schools and Colleges

Jones and Hampton Ltd have many years of experience working within Schools and Colleges and have completed a variety of work including:

- **Responsive repairs** – Plumbing, heating, gas, electrical, general building including 24 hour call out.
- **Aid and Adaptation** – Ramps, Hand rails and the laying of safety flooring.
- **Refurbishment** – Computer suites. Toilet and Classroom refurbishment. External repairs and redecoration. Window and door replacement. Ceilings, partitions and purpose made joinery
- **Gas and Electrical Testing** – Including PAT testing.

We can demonstrate our understanding of the specific requirements of working within this environment by:

Ensuring all our people are CRB checked and trained in customer care to deal with the specific requirements of working within your environment.

Offering you technical advice. Often resulting in saving you money instead of helping you spend it.

We are familiar with the technical requirements and specific specifications of refurbishment work within this type of environment.

Our safe systems of work and adherence to current Health and Safety Legislation ensures a safe working environment and a reduction in likely hazards.

One stop shop – our comprehensive range of services means you don't need to use anyone else.

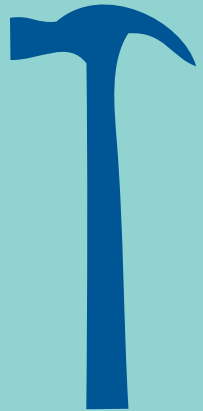

We carefully plan and carry out the work ensuring completion during school holidays.

Fix first time. Our vans have comprehensive stocks reducing the need for return visits, helping to minimise inconvenience and disruption.

Meeting your KPI expectations. We get the job done on time and within budget.

We always serve our clients and will work along side your staff to become an integral part of your supply chain, we will share your aims, ambitions and collectively work together to create an environment fit for investment in training, IT, and continual improvement.

Our clients include **Telford and Wrekin council, Bridgnorth District council, Shropshire County Council, Powys County council and TECAT.**
